

Sport BTEC

Level 3 National Extended Certificate in Sport

Overview

The BTEC Level 3 Extended Certificate in Sport is equivalent to one GCE A Level. The qualification would suit a student who has a keen interest in sport, providing a more practical, real-world approach to learning alongside a key theoretical background.

Over the two years, students will take an external exam in Anatomy and Physiology and will sit a 2 hour exam following a pre-release scenario on Fitness training and programming. They will sit two further units (shown below) which will be coursework based and assessed internally.

The projects that students undertake are graded as a Pass, a Merit or a Distinction.

Assessment

The BTEC Level 3 is assessed over two years through 2 externally assessed exams along with 2 units which are completed through real-life, work-based case studies.

Level 3 National Extended Certificate in Sport	
Anatomy and Physiology	1 hour 30 min written exam
Fitness training and programming for health, sport and well-being	Pre-release task, 2 hour exam
Professional Development in the Sports industry	Internally assessed, externally verified
Applications of fitness testing
