Dear Parent/Carer

'GCSEs - What to Expect' – An Evening for Parents and Carers of Year 11 Students

I would like to invite you to attend this Information Evening for parents and carers on **Wednesday 10th October 2018** at 6pm in the School Hall to continue our work in partnership to improve the outcomes for your child at the end of Key Stage 4.

The evening will offer you information on the school's expectations for students in Year 11, as well as information relating to care, guidance and support for your child both in school and at home. There will also be practical advice about how to prepare for and cope with the examinations. The National Citizen Service (NCS) will also give an introductory presentation on the opportunities for Year 11 students to take part in a scheme in the summer of 2019 to help them build new skills, meet new people and shape their future.

At the end of the evening, Mrs Anderson-Kirby, Mr Gardiner and I will be available to answer questions. There will also be an opportunity to request further information of a subject-specific nature.

I very much look forward to welcoming you in school on this evening. Please complete and return the reply slip below to your child's tutor.

Yours faithfully

Mrs J Mason
Head of Key Stage 4
