All students will take part in all 4 activities over the 4 days. We will meet with the students to talk about activity groups in the summer term to enable them to opt to spend the week with their friends. Another letter with the final information will follow shortly after this meeting detailing the group number, kit list and the timetable for the week.

Please remember that all students will be required to attend school on the morning of Friday 20th July; school closes at 12.30pm on this day.

Attached is the very important consent and medical information that is required for your son/daughter to take part in the trips. Without this consent (to be completed in triplicate) I will not be able to allow a student to take part in the experience. In order to allow the mountain bikes to be set up for the heights of the students please insert your son/daughter's height (in either feet and inches or cm onto the consent slip. Please return these consent slips to me by Friday 20th April 2018 at the latest.

Myself, Mr Cook, Mrs Mason, Mr Duggins, Miss Barnes, Mrs Burrows and Mr Gowing are looking forward to an action packed week and we hope you are too!
