Dear Parent/Carer

A' Level Maths Textbooks

We are now in a position to sell the textbooks required for the first year of the Maths A' level course. There are two books required for the Year 12 course. These are:

*Pure Mathematics Year 1/AS which costs £12.30*

*Mechanics and Statistics Year 1/AS which costs £9.50*

The students need to purchase these books as soon as possible. Payments can be made via our online payment facility at [www.parentpay.com](http://www.parentpay.com), which is our preferred method of payment. Please contact the school Finance Office at [finance@hanleycastlehs.org.uk](mailto:finance@hanleycastlehs.org.uk) if you have lost your login details or have any other queries regarding online payments. Alternatively a cheque or cash can be sent into school in a labelled envelope and put in the Finance box in the Library. Once you have paid, your student will be given their copies. The students should then use them to make notes in and practise the skills covered in lessons.

If you are in receipt of free school meals and wish your son/daughter to take part in the visit, but would have difficulty meeting the cost, please request a financial assistance form as the school may be in a position to help.

Please note that A' level Further Maths textbooks will be sold at a later date, as they are not available from the publishers yet.

Yours sincerely

*S Emson*
