Dear Parent/Carer

Last year, all students in Years 9, 10 and 11 were given the option to purchase, through the school, our recommended revision materials for Mathematics. This opportunity is now being offered again as we will soon be placing an order for revision guides and workbooks.

These are available for each of the Higher and Foundation tier, and although decisions about tiers of entry are not made until late in Year 11, most students will know which tier of entry they are working towards. If any are unsure they should ask their class teacher for advice on the most useful option at this time. Please note that either a revision guide or workbook can be ordered, but we recommend the use of both.

If you wish to purchase one or more of these items please complete the slip below and return to the Maths Department. Please arrange payment by **15th December 2017** to enable us to place an order in the New Year. Payments can be made via our online payment facility at www.parentpay.com, which is our preferred method of payment. Please contact the school Finance Office at finance@hanleycastlehs.org.uk if you have lost your login details or have any other queries regarding online payments. Alternatively a cheque or cash can be sent into school in a labelled envelope and put in the Finance box in the Library. If you are in receipt of free school meals, but would have difficulty meeting the cost, please request a financial assistance form as the school may be in a position to help.
