

Year 7 assessment series 2, June 2026

Assessments will take place in the classroom where you are normally timetabled to have a lesson. They will last approximately 40 minutes.

The timetable below shows you when each subject will be assessed. You will have PE and PSD lessons as normal.

For example, on Monday 15th June everyone will have their RWV assessment in whichever classroom they are timetabled to be in for their period 4 lesson.

	Tutor	Lesson 1	Lesson 2	Lesson 3	Lesson 4	Lesson 5
Monday 15 June		GCSE exam – no LSA support			RWV	(7a: Pe)
Tuesday 16 June		English			History	
Wednesday 17 June		<i>a2: Pr a3: Tx a4: Fn</i>	<i>b1: Pr b3: Fn b4: Tx</i>		Geography	
Thursday 18 June		Music		(7b: Pe)		Art
Friday 19 June		MFL	(7b: Pe)	Computing		(7a: Pe)
Monday 22 June		<i>a1: Pr a3: Fn a4: Tx</i>	(7a: Pe)	Citizenship		(7b: Pe)
Tuesday 23 June		Maths (non-calculator)		Science		
Wednesday 24 June			Maths (calculator)			
Thursday 25 June		<i>b2: Pr b3: Tx b4: Fn</i>	(7a: Pe)	(PSD)		

The assessment for the DT subject(s) that you currently take (wood, textiles, food) will take place in a normal DT lesson.

You will not have a written PE, PSD or drama assessment at this stage. Ongoing in-lesson assessment will be reported in drama and PE.

The purpose of these assessments is to help you consolidate what you have learned so far in each subject. This helps you to get the most out of Year 7 and helps us to identify which areas to plan further support for you as you move into Year 8. The assessments will begin to build your confidence in revising larger amounts of knowledge, and to develop the skills to do so. You have 4 school weeks to prepare.

To help you succeed in your assessments:

- Your tutors will run a programme to help your revision, including how to organise yourself with a revision timetable.
- Your teachers will tell you which aspects of your course will be assessed. They will give you revision guidance and support.
- During the 4-week preparation time, your homework in each subject will be supported revision.
- Teachers and LSAs will support those people who normally have extra time or the use of assistive technology (etc). At this stage, access arrangements will be facilitated in classrooms.

If you are eligible for extra time in assessments, you will begin your assessments 10 minutes earlier than other students in the room. You will all finish at the same time. If you are given extra time, you will be asked to use a different coloured pen for the last 10 minutes of the assessment. This is so we can identify the benefits of this additional time.

Independent revision is a habit which requires practice. To benefit from this process, we expect most students to revise for a sensible amount of time, and certainly no more than 2 hours in an evening (including revision homework) during the 4-week preparation time. We acknowledge that for some students, this will not be realistic.

These assessments are an important part of your learning process. They will give you an idea of how well you have learnt the Year 7 curriculum for each subject.

Mr Johnston
